In one boat, the English crew, Warro was an old Oxford stroke, and the other three men were all Leander und cellege oars, one a Varsity Trials man. The attendance at the regatta was excellent, H.E. the Officer Administering the Government, Commodore C. G. Rebinson, R.N., Lieut.-Col. L. F. Brown, R.E., and many other most prominent residents taking part in events. Of the officers, perhaps Mr. Harold C. Austen was bardest worked; in fact he seemed to be every. where at the same time. Mr. Geo. P. Lammert, very particular about half-seconds, was an enthusiastic timekseper. The Judges, Messrs. E. W. Mitchell and A. Chapman, and Lieut. Crawford, R.N., carried out their onerous duties to the complete, satisfaction of all concerned. So, indeed, did the umpires and starters. Messrs. Hutton Potts, C. H. Grace, Hon. G. Stewart, and Lieut. P. H. Campbell, R.E. Lieutenant Campbell is the secretary of the Royal Hongkong Yacht Club; it is hard to say how the regatta could have done without him. Yesterday & cool breeze blew from the N.W. and the sky continued dull and evercust for some time, but it brightened up later. Mr. Osborne, of the Kowloon Hotel, was caterer; he conducted the refreshments in the ablest manner. Launch service between the Brilliant and Blake Pier was good. IN BANKRUPTCY.

BEFORE FIS HONOUR SIR WILLIAM M. GOODMAN (CHIEF JUSTICE).

A CHINESE BANKBUPT SENT TO PRISON. Man Tsit applied for his discharge in bankruptey. Mr. Bonc. Shepherd, the Official Hecoiver, raid there were no assets

The bankrupt stated that he entered into partnership with bree others as a building contractor, putting in \$3,200 as his share. On the first contract that they entered into there was a loss of \$7000; and on the second \$4000. He knew nothing about the building trade. After this the firm continued to trade, but did not take on any new work. He borrowed \$2,000 from Indian money-lunders to pay his debts. He did not tell them that he was in financial difficulties. When the loss was incurred in the business he did not know of it.

His Lordship-It was your duty to know about the business if you were a partner. The bunkrupt also stated that when he borrowed the money he was expecting payment He took a least of certain property from

speculation. His Lordship said that a man who had no money had no right to enter into speculation of \$10,000 a year. He was satisfied not only from reading the report of the Official Receiver, but from reading the bankrupt's own statement made in Court at his public exemination, that he had continued to trade after he knew he w s involvent, and certainly incurred debts without having at the time any reasonable or probable ground or been fully threshed out. expectation of being able to pay. Under the circumstances, his Lordship said, he would sus end the operation of the order of discharge for 12 months and would summarily sentence the bankrupt to three months' imprisonment with hard labour.

already reached your columns, as they were forwarded by the as. Haitan, which closed on the last day of the races. The meeting has on the whole been a successful one. Bright sunshine fayoured us throughout, and there were some most exciting finishes; whilst the defeat of Conon in the Champions, for which he was so unanimously and easily favourite, formed a most exciting climax. The griffles were perhaps disappointing, and Mr. Reynell's Shanghai SPECIALLY AND MOST CAREFULLY pony Frolic through going lame after the Foochow Stakes took a very good place-pony chance, if not winner, from the Champions. It was the most widely expressed opinion of the meeting that the weak feature of the races was the lack of jockeys, and, it must be confessed, the very inlifferent riding of those jockeys who were good enough after all to help us out of the rather hopeless position of having only one REDUCTIONS real local rider. It is invidious to pass further and may we have a few more of them! Shaughai in all Asia, was most generous, but we had not a single jockey from Hongkong, and no visitors either from such a large sporting community. Among. "mero" visitors we noticed Mr. and Mrs. Willis from Swatow, and Messre, Marshall, Thomas, have come by s.s. Haitan would have seen every race of the meeting. ### PURT ARTHUR.

[FROM OUR OWN CORRESPONDENT.]

Port Arthur, 6th December.

UNREST IN CHINA The recent slight display of anti-Ruccian stivity on the part of China is exciting some anxiety here, the reports that have come to hand lately of the movements of the Chinese troops in the south of Manchuria being of a nature to cause alarm. These rumours have not yet been fully confirmed, but, on the other hand, it is a fact that the Russian Military Club at Harbin was burnt to the ground on

the night of the lst December. MORE TROUBLE IN CHEMULPO.

Another fraças seems to have occurred in Chemulpo, and two Russian warships have been despatched from Port Arthur to that port. No news as to the nature of the affray has as yet leaked out. The Russians feel very sore about the last row in Chemulpo, of which a presumably impartial authority, a German, gives the following account: Some Japanese establishment was celebrating its opening day, and when some Russian liberty men happened to stroll into the vicinity they were invited to partake of the cup that cheers and also inebriates. After partaking, one of them got up and tried to buy some cigarettes at a stall in the premises, but, owing to the stall-keeper not understanding his gestures, he received instead of eighrettes. stones. Thus the row began.

In the first place the men might possibly have been murdered if they had been discovered, and in the second place blood might have been spilt if the Russians had resisted Luckily the Russian Consulate was closed owing to the absence of the Consul in Sgoul, and the manager of the local branch of the Chinese Eastern Railway made no objection to his premites being searched; in fact he courteously showed his unwelcome guests over the whole establishment, which was thoroughly ransacked, to the terror of the agent's wife and children. Admiral Alexieff is said to have consured the captain of the Russian gunboat which was lying off Chemulpo at the time for not landing armed men to protect the houses of the Russian residents from being thus violated, and the captain ought of course to have done so,

although trouble would almost certainly have dangerous. My committee merely ask that ensued if he had.

When you feel Limp and Languid,

When your head is dull and heavy, your tongue furred, your bowels costive, and you awake in the morning fagged and worn out, with no relish for breakfast and dreading your work, be sure your stomach and liver need help. Indigestion is poisoning your blood and sapping your strength. Mother Seigel's Syrup will cure you. It will purify your blood and restore vigour and tone to your system. Take it daily after meals.

"I suffered for years from chronic indigestion and wind spasms," says Mrs. M. Moss, of 127, Quay Street, Ultimo, N.S.W. "After eating, I was toriured with terrible pains in the chest and beneath the shoulders. I lacked energy and was languid and weak, especially during the Summer. Four months ago I was induced to try Seigel's Syrup and when I had emptied only two bottles, all traces of indigestion had vanished."

will re-invigorate you.
